Dear Friends,

In this year’s issue of our Annual Report, we share with you the success of the Class of 2019, our admissions outlook, and lists of our dedicated donors. Many of you not only made financial contributions to High Mowing School but also gifted your time to build our school community. Your help truly makes a difference.

The philanthropic support we received this year was once more extraordinary: together we raised $1,021,511 in service of our mission. On behalf of everyone on the hilltop, I sincerely thank you for your generosity and your partnership.

We have much to look forward to as we turn to 2019-20, the 100th anniversary of Waldorf Education. As we celebrate the achievements of the past - the meaningful traditions and the innovations that our forebearers created - we also know that we need abundant energy and resources to envision and secure the next 100 years of Waldorf at High Mowing. Our unique education is well worth the fight, and I look forward to partnering with you all to achieve our goals.

With gratitude,

Geraldine Kline, Head of School
Greetings!

It’s hard to believe that my first fund year at High Mowing School has come to a close! As you will see throughout this report, it was a year full of inspiring moments for all of us on the hilltop.

It only took me a few short weeks to realize how special our school truly is. I have thoroughly enjoyed meeting our students, teachers, staff, trustees, volunteers, parents, alumni, and friends. I now understand that High Mowing School is 'home' for many of you. Your passion for the school is what keeps us motivated and eager to strive for the best we can offer our students.

I am honored to share this year’s Annual Report with you. In the following pages, you will discover the names of our loyal supporters who stepped up to raise over $1 Million for our mission. Loyalty runs deep within our community, and that is why we have created a special dedication in this year’s report for our donors who have supported HMS for 25 years or more. Please join me in thanking the 53 donors who have supported HMS for 25+ years!

Our team is well on its way to launching the 2019-20 fund year, to ensure HMS continues to provide an environment for students to seek their truth and fulfill their highest potential.

Thank you for your loyal support!

Casey Leach
Director of Advancement

---

Welcome Jess Vaughn!

Jess joined the High Mowing team in December of 2018. As the Advancement Coordinator, she protects and maximizes access and integrity of our data and also supports many of our operations, including online giving interfaces, reporting, event support, and acknowledgments. Jess brings a great deal of experience in advancement, coming from two non-profit institutions (St. Paul’s School and Concord Hospital). She has been ecstatic to return to an education setting with a wonderful sense of community and a delightful work relationship with her colleagues. Outside of High Mowing, Jess enjoys her involvement in local music and theatre. As a vocalist, actress, and choreographer, she has been participated in various professional and community productions around New England.
Congratulations

It has been a prolific summer on Abbott Hill with the Admissions team busily enrolling new students on both campuses. **Over 300 students are enrolled to attend High Mowing for the 2019-20 school year.**

Over 60 new students are joining our lower school. Each of our expanding 1-8 classes is now guided by their own class teacher. We now are running 3 bus routes: to Keene, to Bedford, and now to Groton, MA allowing us to serve families from all over northern Massachusetts.

At the High School 35 new students from around the world are joining our Varsity Soccer team (GO DRAGONS!). Our dorms are filling up fast with over 70 boarding students now living on our thriving high school campus.

**Show your passion for HMS!**
Please contact HMS Admissions Director Sabrina Morrissey at smorrissey@highmowing.org to assist or host admissions events in your area!

2018-2019 High Mowing Annual Report 13
Dear Fellow Alumni,

Over 275 people came to campus for Reunion Weekend 2019! The weekend began with alumni of all ages reconnecting with their friends to the backdrop of a beautiful sunset over Frye Field and ended with Emilie BAIRSTOW Dyson ’69 delivering a moving chapel as rain poured down on Abbot Hill. Thank you to everyone who attended the weekend!

In early August, a group of alumni led by Brendan HARNETT ’98 and Alexis PITTMAN ’77, dedicated a weekend to clean up a section of the vast trail network that crisscrosses the High Mowing and Pine Hill campuses. I couldn’t make it, but I’m so grateful to the group of alumni who showed up for this important work.

The 2019-20 school year is underway, and so the Alumni Association is busy with yet another year of meetings and events. As always, all alumni are welcome to our monthly meetings (either in person or by phone) during which we speak with faculty guests, make plans for Reunion Weekend (Reunion Weekend 2020 is June 12-14, 2020--save the date!) and more.

Going the extra mile is what the Alumni Association is all about. If you have any questions about our work, or how you can get involved, please email us at alumni@highmowing.org.

Gratefully,

Kurt SCHMIDLEIN ’09
